

## Cheryl See

### Hexie Daisy™ Full Day Workshop using English Paper Piecing Saturday, September 29, 2018

In this workshop students will learn a unique way to appliqué circles and ovals and then stuff them to make them stand out against a watercolor hexie background. Students will make one Hexie Daisy™ Flower block in one color. The finished block can become the front of a purse or notebook, potholder, a pin cushion etc. or students can make more blocks for a larger project like a table runner or a wall hanging. Students may choose to make their block using **3/4" or 1"** hexagons.

Students must purchase a kit for this class.

Kits are available in 3/4" hexagons for \$37 and 1" hexagons for \$40 (payable to Cheryl See in class)

Please contact Peggy Braitsch (585-704-010, [pmbraitsch@gmail.com](mailto:pmbraitsch@gmail.com)) **no later than 9/20/2018** with preferred size and color (you have a choice of red, orange, yellow, green, blue or purple)
