

## Lydia Middaugh: Beginner and beginner plus class

Let me introduce you to the wonderful world of wool applique with a class showcasing my design, Got Mail, centered around my “attitude birds”. I will discuss with you the various types of wool, threads and bonding materials for applique available. I will teach you how to prepare a piece for stitching and teach you the basic stitches. I have a few tricks to assist you to become successful right away.

**Class requires purchase of a kit, \$35.** Kit includes pattern, wool, heat-n-bond lite, thread and needle. Kits will be available at the beginning of class.

**Supply List:** You will need to bring with you a mechanical pencil, small paper scissors, small very sharp scissors, an iron that steams, and something to press on. Irons maybe shared among friends.
