

GVQC Spring Fling Mystery Quilt 2021

This was my Covid-19 stay-at-home project. It is a double whammy, but I'm not saying why yet. You'll just have to come and find out! My quilt is about 48" square.

It is a scrappy quilt. You will not get the top put together in one day. **Come with only a bunch of the pieces in red bold lettering already cut** (you probably won't need all of them) so you can sew like a fury. Don't cut anything else yet.

Supply list for 64 center blocks, 28 border blocks

Scraps: **184 (1 ½" x 3 ½") scraps**

92 (3" squares) scraps – cut in half diagonally

6 (7 ¼") squares of scraps – cut in quarters diagonally

Background: 2 ½ yards for background only or 4 yards for matching backing.

1. 4 (1 ¼" x 38") lengthwise strips for inner border

2. 92 (1 ½" x 3 ½") strips (crosswise or lengthwise)

3. 92 (3") squares. Cut each in half diagonally

4. 6 (7 ¼") squares. Cut each in quarters diagonally

Binding : ¾ yard (wait on this to see what you like when the top is finished)

Remember: Cut only red bold lettering pieces.
