

Sue Heinz Workshop October 15, 2022: Caffeinated Quilting

Sue Heinz has brewed up energy-infused, organic quilting designs that will look stunning on your next quilt! Based on her latest book, this class will leave you filled to the brim with new grid, block and linear quilting designs that are easy to master – especially with Sue’s one-on-one teaching style. So, what are you waiting for? Come play – leave caffeinated!

Skill levels: All skill levels

Supply List:

- 0.7mm mechanical pencil (like the Bic brand found at Target or Walmart), and a ballpoint pen, each with a comfort grip.
- A few sheets of unlined paper for notes and a few drawings - printer paper works great! Most of your designs will be drawn on the specialty pre-gridded and lined paper, which will be provided.
