Turn up the heat on your next quilt with some sizzling new sashing quilting! Sue Heinz's stunning and unique quilting designs compliment a wide variety of quilt styles, so come and join us in this fast-paced, interactive drawing class. Also included: a gotta have, no-math technique that guarantees precision corner turns. Come curious, leave Inspired! **Skill Level:** All skill levels.

Material taught is applicable to all types of free-motion machines, from domestic to longarm. This class is based on Sue's book, *Drawn to Mastery* – available at Sue's website Sueheinz.com

Supply List:

- 0.7mm mechanical pencil (like the Bic Brand available at Target and Walmart) and a ballpoint pen, each with a comfort grip.
- Unlined, smooth surfaced paper (loose leaf or pad), for notes and a few drawings. Much of your drawings will be done in a pre-lined drawing pad (provided), so a small amount of unlined paper is all you'll need.
