

## Bethanne Nemesh: The Devil is in the Details

October 9, 2020

Sometimes the difference between a show quilt and an AWARD WINNING show quilt is in the details. On the judging floor, one point is often all that separates a contestant from a winner. Bethanne will share her unique finish details which have been proven winners in shows across the country in her quilts. Students will make a collection of samples that feature beaded bias applique, beaded piping, swag piping, beaded knife edge binding as well as an introduction to the use of Derwent Inktense pencils. Take your quilting to the next level with masterpiece details!
